**Please Notice**

Jimmy Stewart’s of Warren has cleaned the church rugs and the carpet in the chapel. They do look much better and hopefully will last a little longer. We ask everyone to try to be careful and not drop anything on the rug. We never allow anything to be dropped on the rug during weddings. The building and facilities committee are now anxious to fix the windows in the rectory. There are seven windows that don’t work. This means they don’t go up or down, they don’t keep out the cold or heat, they don’t keep out the bugs and it is a miracle they don’t fall out of the building! It is wonderful to clean the rugs and fix the windows; however as I reminded the parish council we are paying for the organ. Every month we must send a check for \$4,333.00 on this 24-month loan. . We need more weddings and parishioners.
